President's Message – Welcoming the new Executive

Hello everyone,

It is my honour and pleasure to be starting another year as UMFA President. I'd like to take this opportunity to inform you of the UMFA members who have been approved by the Board of Representatives so far to serve on the UMFA executive this year:

Mike Shaw, Vice President

Orvie Dingwall, Treasurer

Ruby Warren

Mark Gabbert

Joy Stacey

Mark Hudson

Additional members will be appointed to the Executive at the next meeting of

the Board of Representatives. Our list of board of representatives is available at http://umfa.ca/images/UMFA_BoR_2019-2020.pdf.

While the campus is quieter during the summer, the UMFA office is open and staff are busy as usual working on grievances, meeting with administration, connecting with other unions, and managing the office. Do not hesitate to contact them if you require any assistance, or to email at president@umfa.ca if you have any questions, concerns, or comments.

Have a productive summer term, and enjoy your vacations. We will stay in touch.
